

This is...
The Art Bee Club

Our world has changed and our health, wellbeing and time has never felt more precious.

In the Art Bee, there is no right or wrong so we remove the pressure to be perfect. Children will explore colour, texture and pattern while learning to experiment with pencil, pen, paint, pastel and mixed media.

Our goal is for children to enjoy being hands on with art and to be confident expressing themselves through art, broadening their creative thinking...

...while having fun!

The Art Bee exists to Ignite Creativity!
